These charm trees assembled by Wordman using XML, Python and dot. Wordman claims no rights whatsoever over this work; it is entirely White Wolf's, though it is neither endorsed nor distributed by them.

The pages of this document are not of uniform size. They are only as big as they need to be. This is intentional. They are best viewed on screen using the "Fit to Page" zoom setting. When printing, use the scale to fit page option.

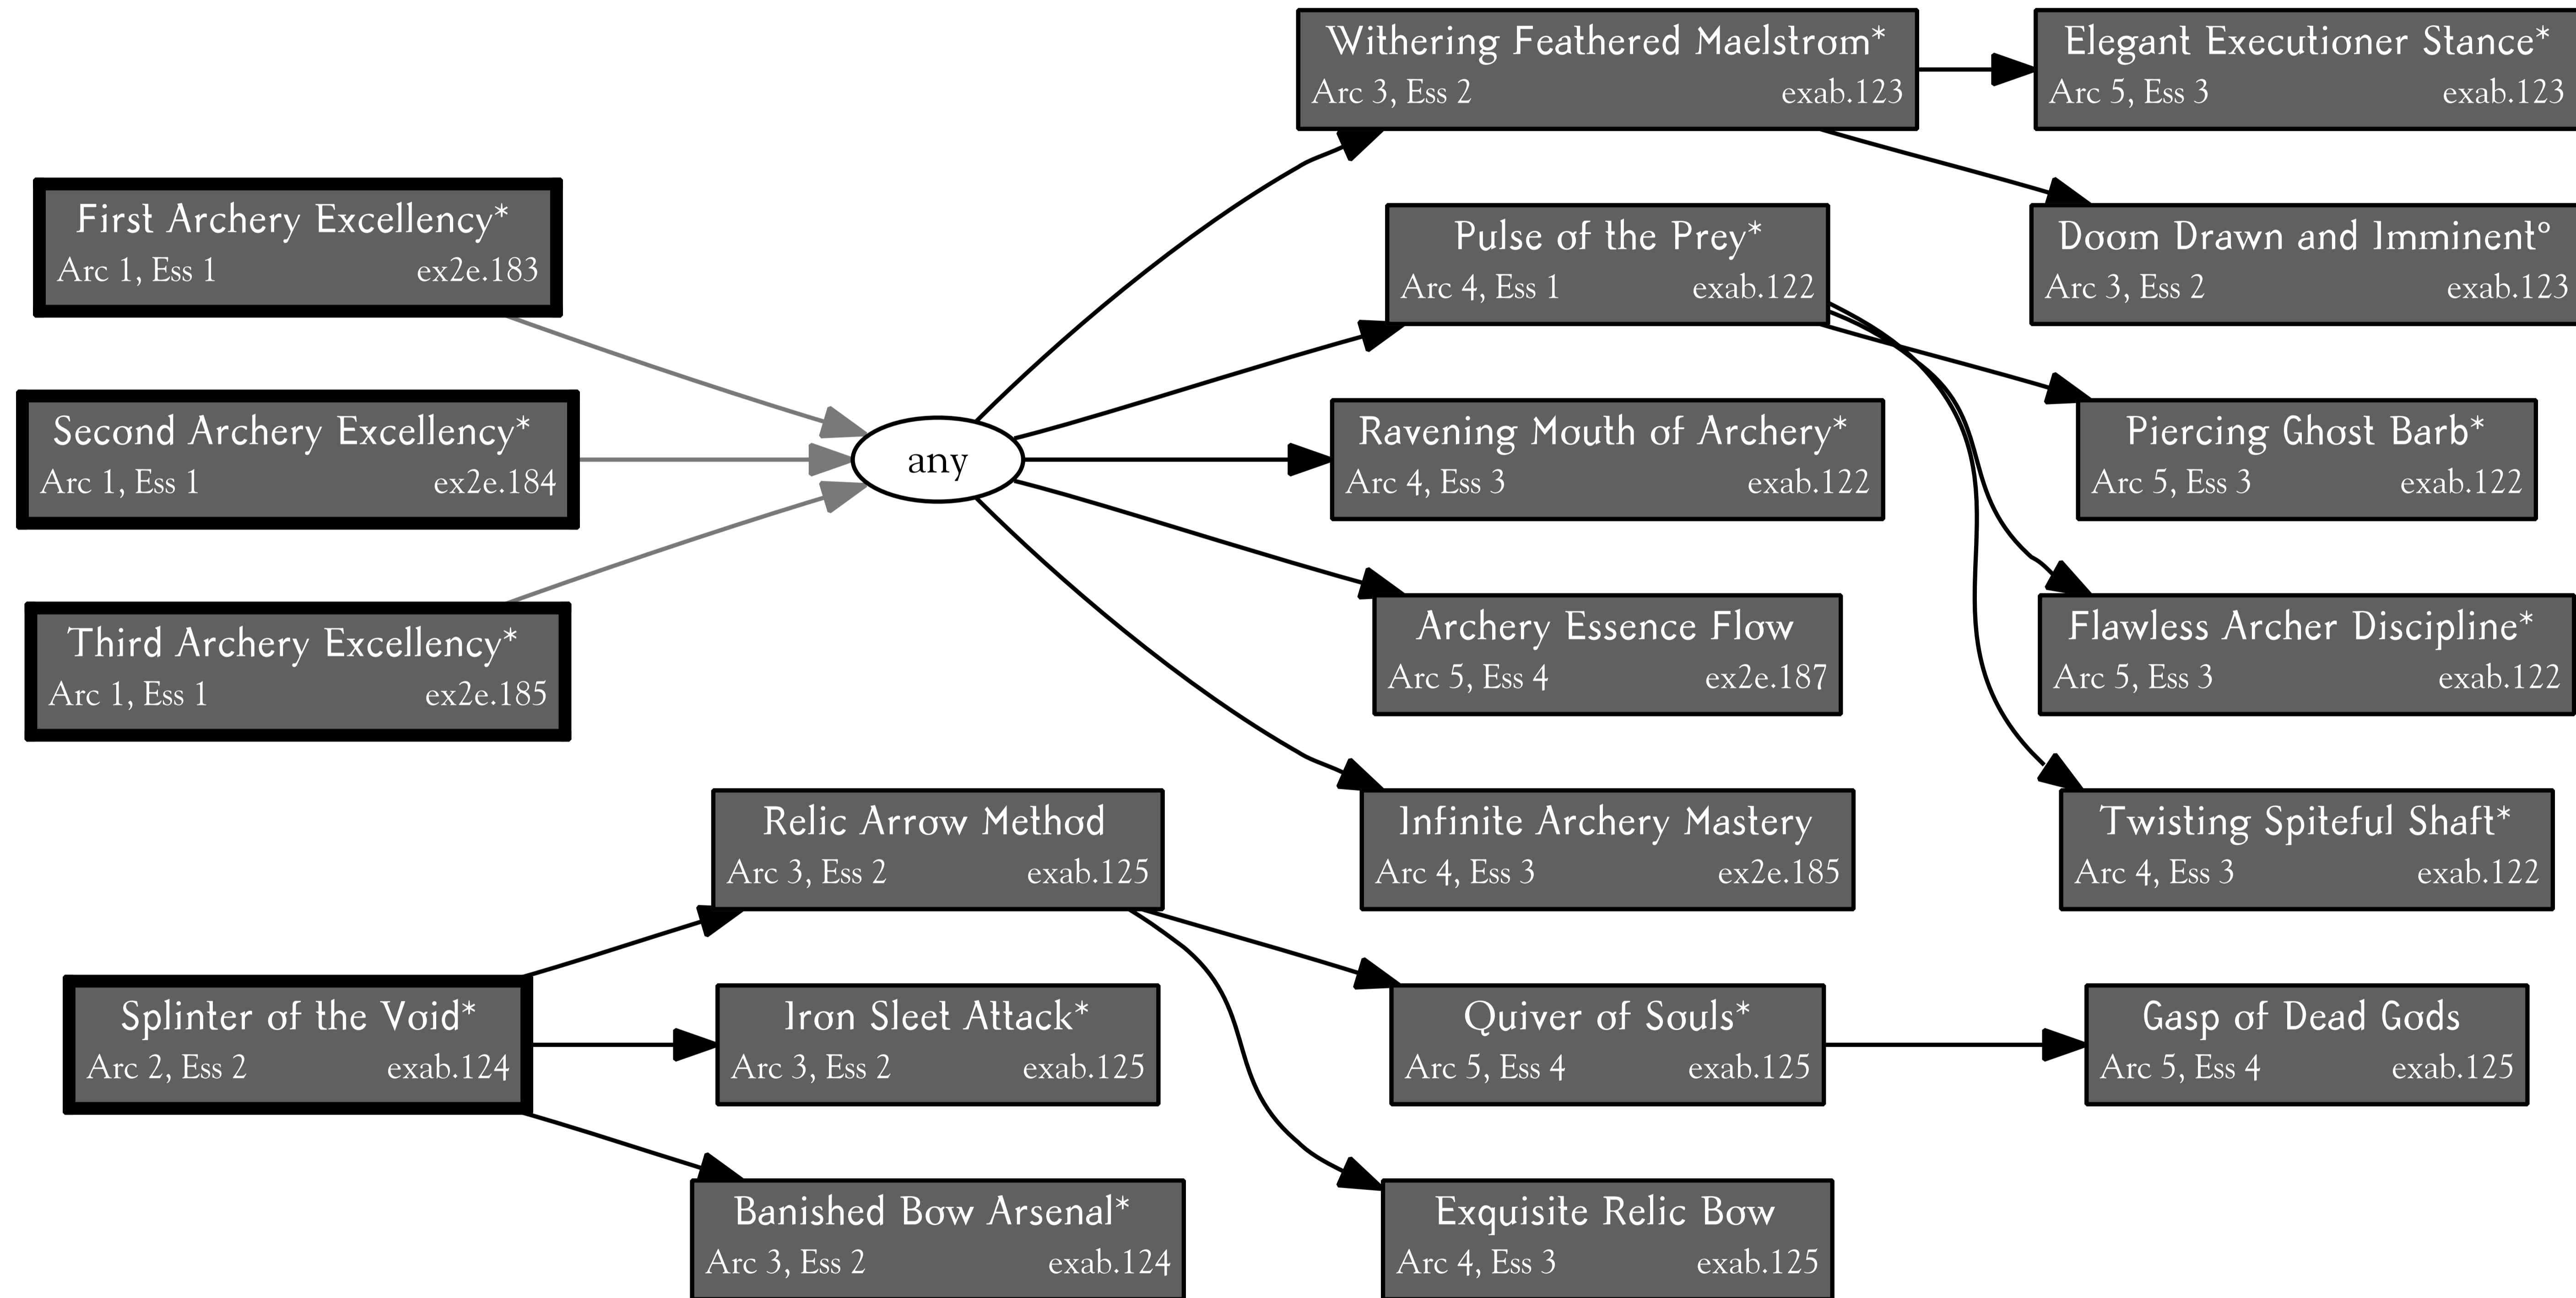

Charms marked with a \* may be used in combos. Those marked with ° are Combo-Basic. Those marked with ‡ may be comboed across abilities.
